## THE STATE OF PROPERTY CRIME IN THE US

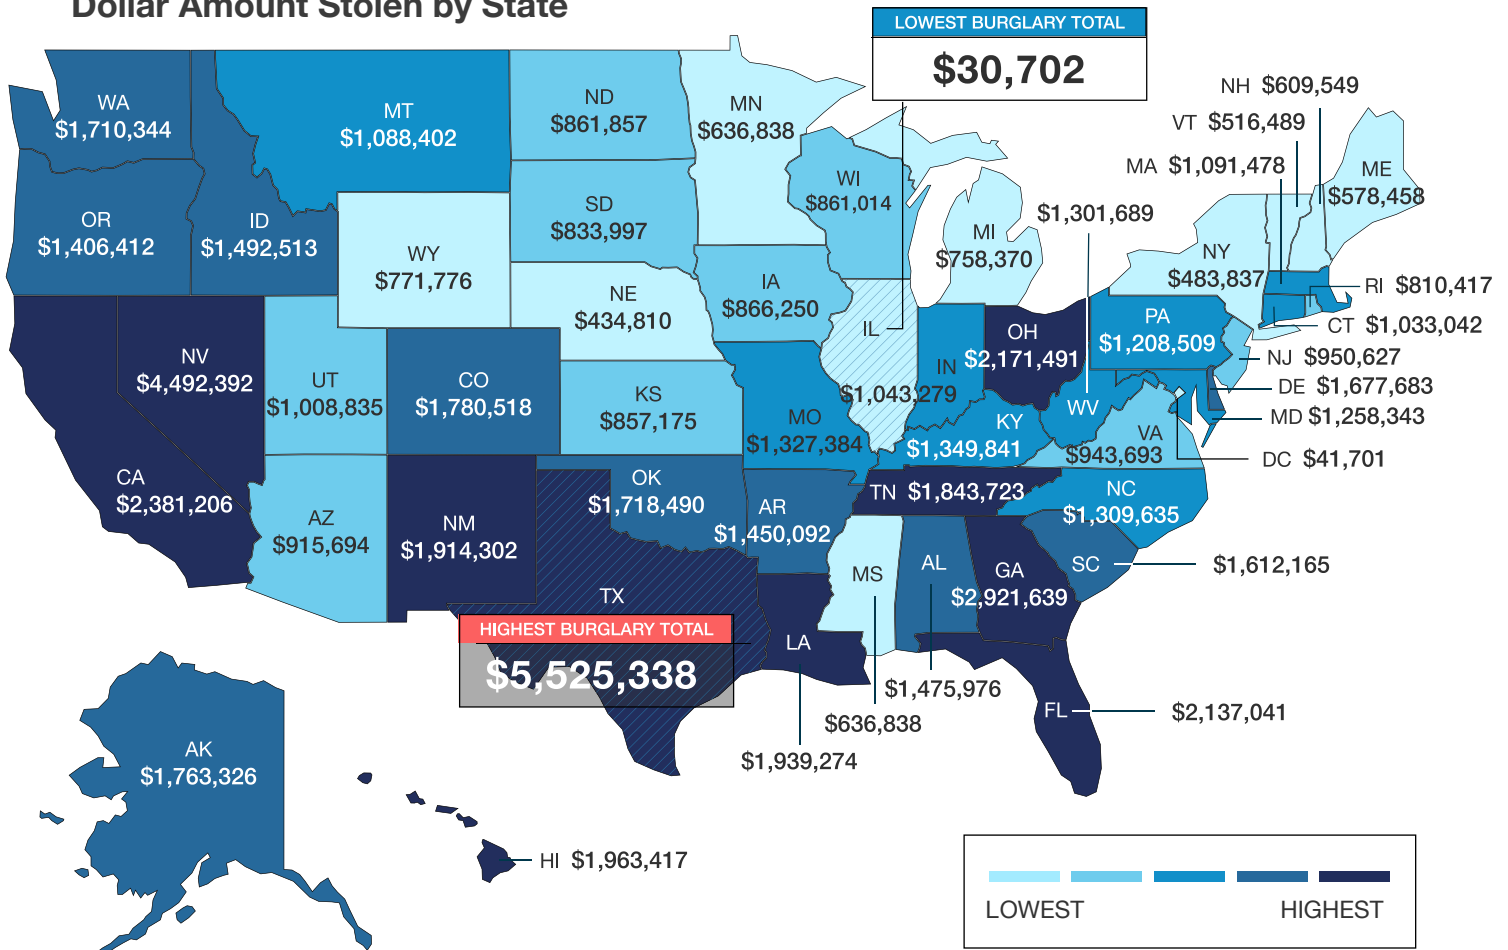

We recommend home security because it can prevent or limit the impact of property crimes. Property crime has a huge financial impact on people affected. In fact, burglary cost Americans about \$3.4 billion in property loss in 2017 alone.<sup>1</sup>

In our research, we also found that some states are hit harder than others.

**These five states lost the most to burglary when you consider the average amount lost per 100,000 residents:<sup>2</sup>**

- TEXAS
- GEORGIA
- OHIO
- NEVADA
- CALIFORNIA
